PERSONAL AND BRIEF.

Don't wait for business to come to you, but get out after it.

One Minute Cough Cure cures quickly. That's what you want!—Leonard Henley.

Let us as a community remember that by unity of action only can we hope to accomplish anything.

Prosperity comes quickest to the man whose liver is in good condition. DeWitt's Little Early Risers are famous little pills for constipation, biliousness, indigestion and all stomach and liver troubles.—Leonard Henley.

Suppose Williamsburg had a-canning factory or some industry where labor is employed, would it not be a good thing for the merchants and the town generally?

It is easy to catch a cold and just as easy to get rid of it if you commence early to use One Minute Cough Cure. It cures coughs, colds, bronchitis, pneumonia and all throat and lung troubles. It is pleasant to take, safe to use and sure to cure.—Leonard Henley.

There is no use trying to keep Williamsburg down. The old town is awake from one end to the other and bids fair to have a prosperous New Year.

Mrs. Mary Bird, Harrisburg, Pa. says: "My child is worth millions to me, but I would have lost her by croup had I not invested twenty-five cents in a bottle of One Minute Cough Cure." It cures coughs, colds and all throat and lung troubles.—Leonard Henley.

We are told that many new houses will be built in this city during 1898. No town in Virginia has shown more material progress during the hard times than this. Ours is no mushroom growth.

Miss Allie Hughes, Norfolk, Va., was frightfully burned on the face and neck. Pain was instantly relieved by DeWitt's Witch Hazel Salve, which healed the injury without leaving a scar. It is the famous pile remedy.—Leonard Henley.

In the absence of any mortuary report we cannot state the number of deaths in this city during 1897. But it is safe to say that the death rate is very light. The health of the town at this time is very good.

Rev. I. S. Boyles returned this morning from Yorktown, where he has been conducting a revival. The meetings were held in the old Episcopal church. Quite a number professed Christ and the meetings were in every way successful.

J. A. Perkins, of Antiquity, O., was for thirty years needlessly tortured by physicians for the cure of eczema. He was quickly cured by using DeWitt's Witch Hazel Salve the famous healing salve for piles and skin diseases.—Leonard Henley.

Mr. J. T. Binns has purchased a graphophone, one of Edison's latest inventions. It plays all the popular airs and is a great instrument. Mr. Binns proposes to give the public the benefit of his graphophone, and no one should miss hearing it.

Mrs. M. B. Ford, Ruddell's, Ill., suffered for eight years from dyspepsia and chronic constipation and was finally cured by using DeWitt's Little Early Risers, the famous little pills for all stomach and liver troubles.—Leonard Henley.

A representative of the Gazette will visit Richmond Tuesday, and will be glad to make any purchases of our advertisers, or to attend to any business for our patrons here. We do this merely as an accommodation to the readers of the Gazette. The Gazette man goes to Richmond every week.

Messrs. Montgomery & Quick, of Ghent, Tex., say: "We have sold 136 bottles of Chill Tonic this season and a small amount of Ramon's Pepsin Chill Tonic which gave such good satisfaction we will handle no other next season and you may send us 1 gross of Ramon's Pepsin Chill Tonic and 1 gross of Ramon's Liver Pills and Tonic Pellets, which is the best we ever handled."

Mr. W. L. Hall, of Portsmouth, was in town Thursday.

Mr. M. Brooks has recovered from a severe attack of sickness.

Messrs. H. D. Cole and H. B. Smith were in Richmond this week on business.

Miss Lelia Moore, of Loudoun county, who has been the guest of the Misses Morecock, has returned home.

Mrs. Cynthia B. Coleman was in Richmond this week in attendance upon a meeting of the Colonial Dames.

A Williamsburg Boy Weds.

Captain Charles Graves, an old Williamsburg boy, married Wednesday in Richmond Miss L. Grayson Eaton, of 818 West Grace street. Mr. and Mrs. Graves left for Asheville, N. C.

Capt. Graves is master of the well-known James river steamer, Pocahontas, and is a brother of Mr. Wm. Graves of this city. Mr. Henry Graves, a nephew of the groom, went up from Williamsburg to be present at the marriage.

ONE OF TWO WAYS.

The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases.

CHIEF CAUSE.

Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. So the womb, like the bladder, was created for one purpose, and if not doctor'd too much is not liable to weakness or disease, except in rare cases. It is situated back of and is very close to the bladder, therefore any pain, disease or inconvenience manifested in the kidneys, back, bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be easily avoided. To find out correctly, set your urine aside for twenty-four hours; a sediment or settling indicates kidney or bladder trouble. The mild and the extraordinary effect of Dr. Kilmer's Swamp Root, the great kidney and bladder remedy is soon realized. If you need a medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention The Gazette and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

Are You Weak?

Weakness manifests itself in the loss of ambition and aching bones. The blood is watery; the tissues are wasting—the door is being opened for disease. A bottle of Brown's Iron Bitters taken in time will restore your strength, soothe your nerves, make your blood rich and red. Do you more good than a special course of medicine. For sale by all dealers.
